* Note – ALL workshops will include a lot of technique. Upstairs will be more Advanced patterns & styling concepts. Downstairs will be suited towards the less experienced concentrating on more solid “Advanced Basics,” footwork & Styling. BUT ... the instructors will always defer to the level of the dancers in the class.

Remember – Show respect to everybody in attendance. Keep politics out of the building. No Means NO! If anybody has any issues, please come see me. Those who know me know that I do not put up with and disrespect in my house.
